

CCIEA International Exchange Salon

In daily life, have you ever run into something that made you think, "Hmmm?" or " Oh, my goodness, is this for sure?" Or, have you, or someone you know ever been in a potential risky situation? At the International Exchange Salon in January, lecturers from the Consumer Affairs Center of Chuo City and the National Police Agency will talk about risks that occur in our daily lives. Let's learn about how to avoid risky situations, and, how to prepare for them if you find yourself in such circumstances!

What Would You Do in such a situation?

~for Safe and Secure Daily Life~
